Our New Directors

We are excited to have four new Directors serving on our board. They include Nikki Hawk (Mercer), Amy Roskilly (Cuyahoga), Kathy Telego (Trumbull), and Kim Vance (Carroll). We encourage you to introduce yourself next time you see them if you do not already know them. As Directors they would love to hear from you regarding your training needs, ideas for the association, or just to get to know fellow professionals.

Additionally, our Board of Directors has reorganized for the new year with Mike Libben (Ottawa) serving as President, Linda Petit (Franklin) as Vice-President, Tammy Jones (Monroe) as Secretary and Bonnie Dailey (Delaware) as Treasurer.

Association Updates

The employees association membership met at the Annual Conservation Partnership meeting in Columbus in February. During that meeting the Director's election was held and the proposed changes to the by-laws were approved by the membership. These new by-laws

can be found on the OASWCDE website: OASWCDE.org.

Since that meeting we have scheduled our meetings for the year and begun to plan the association's upcoming activities. We are excited about new ideas, faces, and partnerships that are

emerging and hope that you will join with us in our excitement for professional development. We welcome your involvement if you would like to attend meetings or serve on one of our committees. Our next meeting will be Monday June 15th at 10:30 a.m. at ODNF Fountain Square.
